Here With You Lord

Written By Ronald E. Wells - Copyright 2010

Heavenly Father rich in mercy
You are my joy you are my peace
Always my comfort through tempest and trials
I praise your name
I will worship - oh Lord at thy footstool
With lifted hands (with lips of clay) I sing your praise
No other place - I'd rather be
Than here with you Lord

Lord your praise shall continually be - deep from within my heart
Lord your praise shall continually be - deep in my soul
Lord your praise shall continually be - throughout (all) eternity
There's is no place - I rather be - Where else would I go
But here with you Lord

I'm Giving It Up

Written by Ronald E. Wells – Copyright 2010

Verse 1: I heard the gospel news today
I've heard it so many times before
But something broke within my heart
It was a simple call
The Holy Spirit touched my heart
And now I am walking with Jesus
I love His grace His wonderful grace...oh Lord!

Chorus: I'm giving it up
I'm walking away,
Since my Lord Jesus came into my life
I'm giving it up, I'm not the same...no
The things I did don't mean the same
Now I'm walking in Jesus name
I'm giving it up
I'm walking by faith...in Jesus name

Verse 2: Forgive me if I don't get things just right
I've just begun a brand new life
Step by step walking in the Light
It was time to make a choice
Choose this world or leave it all behind
I'm going to follow Jesus my Lord
For the rest of my life...oooo

Repeat Chorus:

Bridge: For the Spirit of the Lord
Has gave me a brand new life
For the Joy of the Lord is perfect
I'll never going to be alone
Jesus will safely bring me home and I'm glad
Oh so glad, I'm so glad.

Repeat Chorus:

Streets Of Gold

Written By Enoch Bosunga - Copyright 2010

Verse 1: Dark trials on every hand
Temptations all the time it seems
Strive try to live the life
Keep coming up short
Then we get to feeling down
And let a frown become a friend
Then the devil he starts to lie
It worth it all

B Verse: I know sometimes the road seems long
And those trials, oh they get so hard
But imagine what a day that will be when we go,
Well, when, when we go

Chorus: Being in the Master's presence
Running down the streets of gold
Shouting hallelujah...We made it!
Gathered with the saints of old
And all who ever really loved us
Singing praises to the Lamb of God
What a time we'll have for eternity
It's oh so close, let's keep pressing on

Verse 2: Look at the times my friend
It's coming to an end
These are glorious days, the rapture's at hand
If we hold on a little longer
Then we will overcome, yeah
Going home with Jesus, it will be worth it all

B-Verse:

Repeat Chorus:

B Verse:

Repeat Chorus:

We will overcome by the grace of God,
It's oh so close
Let's keep pressing on.

In Christ Jesus Name

O whatever comes my way
I give the praise and the glory to God

Breathe On Me Lord

Written by Ronald E. Wells/Yvonne Brown - Copyright 2010

Verse 1: There's never been a mountain that you could not move
There's never been a valley you couldn't bring me through, no
Lord, you're full of mercy and your grace is sufficient
Lord, I feel your presence; fill me with your Holy Spirit

Suddenly you're standing there offering your peace again
Oh, Lord, oh, Lord, breathe on me.

Chorus: Breathe, breathe Lord breathe on me Lord

And You lifted me up when I seemed able to stand
Lord I'm lost without you, I'd be adrift on my own
By your love and kindness, I am never alone

But until that time Lord hide me in your secret place
O Lord, O Lord, breathe on me.

Chorus: Breathe, breathe Lord won't you breathe on me Lord...

You're my ever present help in the times of trouble
O Lord I know there's nothing, nothing impossible...for you
I'm asking you O Lord

Chorus: Breathe Lord won't you breathe on me Lord, Breathe on me Lord.

There to wipe away your shame, there to walk,
There to talk but you would never let me in

Story about this photo

If you look real close you will see that we are very, very soaked.

One sunny morning we thought that we would get out on a Sea-doo and venture into the deep blue ocean and look at all the ships and seal and colorful surroundings.

Oh yes, we we're in Cabo why not? It didn't matter

that we had never driven a Sea-doo before, why everyone else was doing it. So we got on that vessel and the first wave that came up, turned us upside down, we never got off the beach. There went our eye-glasses and all.

We laughed so hard and thought "what if that happened way out there in the deep blue?"

Well, we believe that angel just took his finger and turned that thing upside down.

We recognized that it was God's mercy. How many times has He kept us "all" from danger.

Share your story when we meet. God bless you
